REPORT TO THE PRESIDENT

The PRESIDENT,
The White House.

SIR: This is a report on the Amendment to Section 7 (f) of Article III of the Code of Fair Competition for the Power and Gang Lawn Mower Manufacturing Industry, submitted by the Supplementary Code Authority of this Industry in accordance with the provisions of Article VII of said Supplementary Code approved March 26, 1934.

GENERAL STATEMENT

This Amendment is submitted by the Supplementary Code Authority of the Industry in order that the Supplementary Code may conform to the provisions of Administrative Order No. X-36, approved on May 26, 1934, governing the collection of expenses of Code Administration.

FINDINGS

The Assistant Deputy Administrator in his final report to me on said Amendment to said Supplementary Code having found as herein set forth and on the basis of all the proceedings in this matter:

I find that:

(a) Said Amendment to said Supplementary Code and the Supplementary Code as amended are well designed to promote the policies and purposes of Title I of the National Industrial Recovery Act, including removal of obstructions to the free flow of interstate and foreign commerce which tend to diminish the amount thereof and will provide for the general welfare by promoting the organization of industry for the purposes of cooperative action of labor and management under adequate governmental sanctions and supervision, by eliminating unfair competitive practices, by promoting the fullest possible utilization of the present productive capacity of industries, by avoiding undue restriction of production (except as may be temporarily required), by increasing the consumption of industrial and agricultural products through increasing purchasing power, by reducing and relieving unemployment, by improving standards of labor, and by otherwise rehabilitating industry.

(b) The Supplementary Code as amended complies in all respects with the pertinent provisions of said Title of said Act, including without limitation Subsection (a) of Section 3, Subsection (a) of Section 7, and Subsection (b) of Section 10 thereof.

(c) The Supplementary Code empowers the Supplementary Code Authority to present the aforesaid Amendment on behalf of the Industry as a whole.

(d) The Amendment and the Supplementary Code as amended are not designed to and will not permit monopolies or monopolistic practices.

(e) The Amendment and the Supplementary Code as amended are not designed to and will not eliminate or oppress small enterprises and will not operate to discriminate against them.

(f) Those engaged in other steps of the economic process have not been deprived of the right to be heard prior to approval of said Amendment.

For these reasons, therefore, I have approved this Amendment.

Respectfully,

HUGH S. JOHNSON,
Administrator.

AUGUST 8, 1934.

AMENDMENT TO SUPPLEMENTARY CODE OF FAIR COMPETITION FOR THE POWER AND GANG LAWN MOWER MANUFACTURING INDUSTRY

The following provisions to be substituted in lieu of Section 7 (f) of Article III:

7 (f) 1. It being found necessary in order to support the administration of this Supplementary Code and to maintain the standards of fair competition established hereunder and to effectuate the policy of the Act, the Supplementary Code Authority is authorized:

(a) To incur such reasonable obligations as are necessary and proper for the foregoing purposes, and to meet such obligations out of funds which may be raised as hereinafter provided and which shall be held in trust for the purposes of the Supplementary Code.

(b) To submit to the Administrator for his approval, subject to such notice and opportunity to be heard as he may deem necessary (1) an itemized budget of its estimated expenses for the foregoing purposes, and (2) an equitable basis upon which the funds necessary to support such budget shall be contributed by members of the Industry.

(c) After such budget and basis of contribution has been approved by the Administrator, to determine and obtain equitable contributions as above set forth by all members of the Industry, and to that end, if necessary, to institute legal proceedings therefor in its own name.

2. Each member of the Industry shall pay his or its equitable contribution to the expenses of the maintenance of the Supplementary Code Authority, determined as hereinabove provided, and subject to rules and regulations pertaining thereto issued by the Administrator. Only members of the Industry complying with the Supplementary Code and contributing to the expenses of its administration as hereinabove provided, unless duly exempted from making such contributions, shall be entitled to participate in the selection of members of the Supplementary Code Authority or to receive the benefits of any of its voluntary activities or to make use of any emblem or insignia of the National Recovery Administration.

3. The Supplementary Code Authority shall neither incur nor pay any obligations substantially in excess of the amount thereof as estimated in its approved budget, except upon approval of the Administrator; and no subsequent budget shall contain any deficiency item for expenditures in excess of prior budget estimates except those which the Administrator shall have so approved.
